**STIPULATION FOR ENTRY OF FINAL ORDER**  
**BY THE ILLINOIS COMMERCE COMMISSION**

CORN BELT ENERGY CORPORATION, Complainant (Corn Belt) by its attorneys GROSBOLL, BECKER, TICE & REIF, attorney Jerry Tice of counsel and ILLINOIS POWER COMPANY (IP), by its attorneys HUGHES, HILL & TENNEY LLC., attorney Gregory Q. Hill of counsel, stipulate and agree as follows:

1. Corn Belt filed its complaint in the above matter on October 30, 2001 setting forth that Corn Belt is the successor to all of the rights, title and interest of Illinois Valley Electric Cooperative (IVEC) in a certain Service Area Agreement dated October 21, 1970 and amendments thereto specifically being Amendment No. 4, dated July 30, 1990 which Service Area Agreement and Amendment No. 4 were duly approved by Orders of the Illinois Commerce Commission and that certain premises known as the Brady's Subdivision II located in the Southwest corner of Section 1, Township 34 North, Range 1 East of the Third Principal Meridian, Dimmick Township, LaSalle County, Illinois are situated in the territory delineated by such Service Area Agreement and Amendment No. 4 to be served by Corn Belt as successor to IVEC. Such Compliant specifically sets forth that the Brady's Subdivision II

consists of four residential lots with residences situated on Lot 3502 and 3508. The Complaint further sets forth that IP commenced service to such residences located in Brady's Subdivision Plat II and that Corn Belt did not obtain knowledge of such electric service until on or about March 22, 2001.

2. An Agreement has been reached between Corn Belt and IP whereby IP acknowledges that electric service to the Brady's Subdivision II does not conform to the territorial boundaries established by the aforesaid Service Area Agreement and Amendment No. 4, as approved by the Illinois Commerce Commission and as such Corn Belt is the rightful supplier of electric service to Brady's Subdivision II in accordance with the terms of the aforesaid Service Area Agreement and Amendment No. 4.

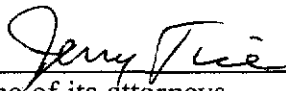

3. Accordingly, Corn Belt and IP stipulate and agree that Corn Belt is the rightful supplier of all electric service to Brady's Subdivision II and that Corn Belt shall be entitled to serve Brady's Subdivision II with all electric service and electric energy and that transfer of such electric service from IP to Corn Belt shall take place in an expeditious and reasonable manner so as not to unreasonably interfere with the providing of electric service to the Brady Subdivision II and customers situated therein.

4. The parties stipulate and agree that this stipulation for entry of a Final Order resolves all territorial service issues between Corn Belt Energy Corporation and Illinois Power Company with regard to the aforementioned described Brady Subdivision II.

WHEREFORE, the parties stipulate and agreement that the Illinois Commerce Commission shall enter an order in accordance with the terms of this stipulation.
